Uni-Hostel Student House Rules

Upon moving in, by signing the "Room status record sheet", **the roommates assume joint responsibility for the room.**

It is not allowed to change the equipment and furnishings of the room without permission!
Only regulated equipment and tools can be used in the room so that they do not endanger traffic or escape safety.

All rooms are used as intended!
It is forbidden to damage walls, furniture, and doors in the rooms, corridors, and common areas of the Student Residence. Advertisements can only be placed on notice boards. You can only decorate the surfaces equipped for this purpose in the residential unit.

It is forbidden to cover the opening of the built-in fridge. The garbage must be taken out immediately to the waste container located on the floors.
Do not pour food residue or solid waste into the sink, as it can cause blockages. Do not pour hot water directly into the sink. The reception must be notified of a siphon blockage.

The doors of the bathrooms can be closed from the hallways (in the case of shared use, to prevent access from the adjacent room), but not from the bathroom.

Activities that could cause fire or explosion must not be carried out in the rooms.
Fire starters and flammable liquids must not be stored in the building.
The building has an independent water supply system that supplies the wall fire hydrants (near the stairwells) and the sprinkler system installed in building B.
The sprinkler heads must not be touched, as touching the head will cause flooding.

An automatic low-current fire detection and alarm system was installed to protect the building.
Eliminating the elements of the protection system is prohibited, committing it is a violation of fire protection regulations.
Fire doors are safety devices operated from the fire alarm center. It is forbidden to prop up or lock the doors without reason!
In the event of a fire, proceed as described in the Fire Protection Regulations.
Narrowing or blocking escape routes is strictly prohibited! (Eg: clothes dryer, umbrella, etc.)

Smoking is prohibited in the student residence building! You can only smoke in the designated smoking area, which is located in the square opposite the main entrance of the UNI-HOSTEL Student Residence.
Violation of the smoking ban by operating the built-in automatic fire alarm system may result in an unjustified alarm of the Fire Department. The fire department's departure costs will be charged to the person who violates the ban. Smoking in a prohibited place will result in a HUF 5,000 fine.

Abnormal use of the built-in hotplate in the kitchen and the activated built-in automatic fire alarm system may result in an unjustified alarm of the Fire Department. In case of 3 false fire alarms, the student is obliged to pay HUF 5,000.
Attention! The fire department's withdrawal costs will be charged to the violator of the ban.

A closed-circuit video system operates in the building with cameras and IT image processing capacity. The cameras record the building. We also use this system to check the correct use of the entry system.

It is strictly forbidden to sit on window sills and protective railings, or to lean out of them, due to the risk of falling!

It is forbidden to bring animals into the building!

There are as many Internet connection points in each room as there are beds in the room.

Every room has a TV connection point.

Dormitory fees are paid through the Neptun system from a collective account. The payment must therefore be made directly to the University of Miskolc.

For safety reasons, the power supply to the rooms and halls only works after placing the magnetic card in the reader. When leaving, the card activates the main switch for approx. It switches off with a 10-second delay, except for the refrigerator and computer plugs. Switching in the electrical cabinet above the entrance door of the room is prohibited! If the card is left or damaged, the replacement costs HUF 2,000 (the magnetic card must not be drilled, broken or bent)! The card is not transferable.

It is not possible to receive visitors or guests, only students housed in the Bolyai Dormitory of Miskolc University may enter the building between 6:00 a.m. and 11:00 p.m. according to the guest reception schedule. A visitor can only enter the student residence if the tenant who receives him is staying in the student residence, appears at the door and welcomes him when called. The visit takes place by submitting a valid student residence card. The host bears full financial and moral responsibility for the guest.
It is possible to receive guests in the living rooms in the vacant places of the absent guests with the permission of the reception declaration for HUF 2,000/person/night.

The room is cleaned once a week (according to a regular schedule) as part of the service. Bedding sets are changed weekly on Wednesdays between 9 a.m. and 12 p.m. **Please clean the refrigerator in the room and "read" it with the appropriate voice. When moving out, they must hand over the refrigerator in a clean, ice-free condition.**

The washing machines located in the laundry room on the floors can be used free of charge. The use of an iron is allowed on the stand located in the washing, drying and ironing room. The key to the laundry room can be requested at the reception. The use of the laundry room is allowed for up to 1.5 hours, the fee for exceeding the time limit is HUF 2000. An iron can be requested at the reception free of charge.

Optional items (kitchen accessories, clothes dryer, blanket, etc.) can be ordered weekly on Wednesdays between 9 a.m. and 12 p.m.

Holding group gatherings is possible by requesting an event request and obtaining permission. Please use the common rooms according to their intended purpose! The event/gathering must end no later than 11:00 p.m.
Any activity that disturbs the peace of the students or the residents around our student residence in any way is prohibited!
The duty of the residents of the Student Residence:
- Demonstrate behavior worthy of a university citizen.
- Get to know and follow the rules of the Student Residence.

The management of the building is only responsible for the valuables placed in the safe at the reception.
